PETITION

TO:
The Mayor and Councillors of the City of Perth Council

We the undersigned residents of Western Australia are opposed to the use of performing animals in circuses:

- The natural instincts of circus animals are frustrated when they are forced to spend their lives in cages or chains,
- The constant transporting of the animals is a cause of distress,
- Most of the animals involved are required to complete physical programmes which are quite unnatural for them.

Your petitioners urge the Council to join the other municipal councils in Western Australia who have implemented policies prohibiting the use of Council land by circuses who use performing animals, in line with RSPCA Australia policy.

And your petitioners therefore humbly pray that you will give this matter earnest consideration and your petitioners, as in duty bound, will ever pray.
